

The Conference this year is inspired by Pope Francis' decree of a Holy Year of Mercy. The face of Jesus is the image of the Mercy of God our Father in heaven is a longer expression of the theme. In this year we are called to meditate on God's Mercy for us in Jesus and in finding ways to imitate Jesus in showing mercy to others. For as the Scripture says, it is in showing mercy to others that we are promised to be shown mercy. To assist us in understanding mercy and finding ways to show mercy to other we have as our keynote speaker, Franciscan Father Pierre Ducharme, OFM.
